05

VIP

CONCENTRATED TIRE POLISHER

Safely used in the tire and plastic parts of your vehicle. Does not crack on the surface. Applied by spraying or sponge. Gives extra shine to the tire and plastic parts of your vehicle.

06

PLASTIC PROTECTOR

DASHBOARD VARNISH

Formulated to provide maintenance and protection for your vehicle's engine, interior & exterior plastic parts. Solvent free. It can be applied by spraying technique and should be wiped until it is absorbed. Thanks to its antistatic feature, it delays the dust holding time on the vehicle.

07

ENGINE AND RIM CLEANER

Safely used in all kinds of engine cleaning. Does not dim on the engine block. Applied by spraying. Provides easy cleaning in areas where the brush cannot reach.

PRODUCTS

08

WHITE

CARPET SHAMPOO (AGGRESSIVE)

Suitable for use on every group of carpets. White Shampoo, which can react with the minerals in the water, neutralizes the chemical environment. Gives softness and shine to the carpet. Should be diluted 1/100 when used with automatic machine. The dilution ratio is 1/70 for floor washing.

PRODUCTS

09

PERFORMANCE

CARPET SHAMPOO

Suitable for use in every carpet group. Thanks to its special caustic-free formula, it allows the carpet to dry faster. Easiest shampoo to rinse during washing. Does not leave chemical residue on the carpet. Gives the carpet extra softness and shine. Should be diluted 1/100 when used with automatic machine. Natural lemon extract. Suitable for use with hypo.
